“ I met Mrs. Schneider during my volunteer work with Neighbor-to-Neighbor. I took her to several appointments during the last few years. It was always a pleasure to take her. We had fun chatting and laughing. We discovered that we both had lived in VA at one time.. During another chat, we found that one daughter actually lived in the same county and attended the same church that I did in VA. Whenever I saw her name on the transport list, I took her if I was available. I enjoyed her company as she was a kind and Christian lady. She will be missed. My sympathy in your loss.

“ Tom, Carolyn, Deborah and Family,

It was probably the early '60's that I saw all of you last, and that's a long time ago. I know you probably don't remember me, but I am the son of one of your Mom's best friends in high school, Frances (Hawes) Harwell.

I want to express my condolences to you all at this sad time. Your Mom had a happy and uplifting personality! Whenever she and my Mom got together, watch out! I drove them both to a couple of Aldie High School reunions. They always returned happy and talking about who they saw, talked with, and spoke of all the stuff they did together!

Your Mom was very supportive of me when we spoke after my Mom died last December. I pray for you and your family's healing after her loss. I know she is at peace with your Dad.

*Love,
Sandy*
