“ Will always remember Miriam as the happy, loving, and welcoming young woman I met when I we were first in school together at Fairfax Hall. We enjoyed reconnecting over the past few years and I always enjoyed Miriam's posts and photos about her life on the beach and her lovely dogs. She was one of the world's truly good people - radiant with joy and a full heart ready to spread joy and love. She will be missed so very, very much. My sincerest condolences to her family and friends. What a treasure she was...

My deepest sympathy to the family and many friends of Miriam Fletcher. I went to high school with Miriam at Fairfax Hall in Virginia, and was so happy to reconnect with her on Facebook and at our reunion in 2009. Miriam was so kind and loving. Her Fairfax sisters treasured her. She will be deeply missed and fondly remembered.

I met our friend Miriam at Romence Garden Center in Portage, Michigan where we worked together in the Floral Department in the late 1970's. Miriam was a dedicated worker and a joy and pleasure to be with. One of her passions was to create pretty things in all kinds of mediums. We had lots of fun outside of work as well, spending our days off with friends at the beautiful Michigan lakes and beaches and enjoying being together. My memories of Miriam with always make me smile. Rest in peace my friend

Miriam is the sweetest kindest soul in heaven too. She always made everyone feel better about themselves. The earth lost a big hunk of love when a Miriam went home. Love you so much, Cam
