“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *I remember Mrs. Robinson fondly when she worked at WLAT radio station at the same time that my brother Mike worked there. I also went to school with Woody. I pray the whole family will receive blessings during this difficult period and that your memories of her will serve to comfort you.*

I grew up and went to school with Woody. I was at his house many, many times over the years. Mrs. Robinson was always very welcoming to us all. I was glad that I was able to see her and visit several times over these last months. Even though her health had declined, she was still quick to laugh and smile. I am grateful for many fond memories of Woody, Robby, Miriam, and Rudy. God bless you all.

I worked many years with Miriam at WLAT radio from the mid seventies to mid eighties and just learned of her passing. She was always a faithful, kind, and considerate friend who went out of her way to help everyone. We were all blessed to know her. God bless you all.
