“ So sorry for your loss. To me she will always be the mom against which all other moms are measured. She was fierce in her devotion to her family and her "family" went well beyond her children. She cared about us all. She made us all feel loved and important. I don't think she ever missed one of our games in high school she may have been there to see Pam, I'm not sure. She was tough and strong and smart and sassy that's where Pam gets it and always "told it like it was." I feel lucky to have known her. She and your Dad have raised some great people and I know she was so proud of you and all those grandchildren. XXOO, Dinky##imported-begin##Denise McGiffin Hofstedt##imported-end##
