“ *To the Hughes Family:*

*The loss of one so very young is especially devastating. It seems that time stands still. What moves through us is a silence; a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why, but little by little we begin to remember, not just that they died, but that they lived! And that their life gave us memories too beautiful to forget. Hold tight to those memories....Lean on each other for support....And look to God's Word, the Bible, for comfort and strength. Psalm 147:3 promises: "He is healing the brokenhearted ones, and is binding up their painful spots."*
