Tribute Wall

“ I have known you as a father-in-law for 31 years. I lost my father at age 9, but I always felt you were a second father to me. You treated me just like a daughter, and I love you for that, and so many other things that you did throughout my years in your family. I will miss you so very much. I love you.##imported-begin##debbie wilburn##imported-end##
