“ I feel honored to have shared time with such a beautiful loving person. I will never forget the warmth in her smile. As a friend I enjoyed every story and memory she shared with me. She loved her family dearly. As a nurse it was beautiful to witness the tireless loving care she received at home everyday. It was crystal clear how much she was loved in return. I hope that love fills the hearts of her family and friends in this time of loss and that the memory of her smiles brings you comfort. Ms. Ammons will be truly missed.
