“ Nadine would light up the room when she walked in. We would always kid her about her cold hands. I've told her before that cold hands mean a warm heart. She did have a warm heart and was a good, kind person. She will be missed. Our prayers and thoughts go out to Henry and the family. Carl and Diane Norris

What a beautiful, kind and gentle soul heaven gained. The pictures gave me a whole new view of Nadine. Memories will keep her near. God Bless!

Donna, I am so sorry that your mother has passed. Heaven has gained an angel. You and I were classmates. When we first moved to Conway, we rented a home right down the street from yours. I remember how sweet both of your parents were when I was in the 5th grade. Please share my sentiments with your siblings and your dad.
