“ Nancy had asked me to take her to Conway to pick up a pair of shoes that she had fixed,we had lunch first because almost the whole town was shut down for the mayors funeral.She was a little upset that one persons funeral could cause such caos.The day lasted a little longer than we had planned.I will miss her.

“ Nancy was a very near and dear friend,we were closer than any two sisters could have been.I will always miss her.I still pick up my phone to have our daily calls,and than I have to remind myself that she is gone from this earth,and no longer in pain.
