“ Nancy was not only a beloved cousin with a gentle soul, but also one of the kindest people that I have ever known! She had an infectious laugh (no doubt Inherited by her dad) She was my father’s most precious niece whom he adored with all his heart! I remember being a little child and always admiring Nancy for her creativity, beauty, and soft spoken wisdom! May you Rest In Peace surrounded by your Mom and dad, husband, uncles , sister, and all those that have gone before you preparing your place in paradise! May Our Lord wrap his newest Angel in His loving embrace as He welcomes you into His kingdom! I love and will miss my sweet gentle cousin! I know my dad Met you at the gates eagerly ready to share a great conversation with you! Love Always and Forever, your cousin, Sclena Beth
