“*Dear Bill, I am so sorry for your loss. But I wanted to share with you how much I know you and Nancy were loved. I am Brandi's aunt Sandy, sister to her dad. I remember Holland as well and know all the love began way back then. But you two never abandoned Brandi and I was/am grateful for that. Those three sweet people have been through a lot but it seems the love from beautiful people like you and Nancy has always carried them through. So thank you. My prayers for you are that you know and understand the God of the universe and that HE cares for you and that you may find His comfort in His loving arms. GOD bless you all. ❤️❤️❤️*
