“ I was very saddened when I learned of Nancy's death. I grew up with Amy, we were nextdoor neighbors in Allen Hills. I spent countless hours at her house. Nancy was such a neat person, who loved to make people laugh. She always let us play with her "cool" stuff that she collected throughout her life. I will always remember her and pray for her family in their time of healing.##imported-begin##DeAnn Patton Crowe##imported-end##

“ I am so sorry to hear about Nancy's death. Some of my happiest memories of my teen years are of and with Nancy. We had a great time as kids. Many laughs and much mischief. The last time I saw her was at a reunion of the the old neighborhood gang about 12 years ago at Jean Gregory"s. My thoughts and prayers are with all of you. We will miss her. Sincerely, Pat##imported-begin##Pat Gardiner##imported-end##

“ Dear Durham family, I am so sorry to learn of Nancy's passing. We had some wonderful times at SJHS! She was a real nut! I had not seen her since we all organized a reunion several years ago and did not know she was ill. I know she is in a better place watching over those she left behind and saving them a place beside her. You are in my thoughts and prayers, Jean Gregory Costello##imported-begin##Jean Gregory Costello##imported-end##
