“ *Mr. Hadden, Mike, & the rest of the family; I have never forgotten the days of camping with you. What a surprise to read such disappointing news. I rarely read the Tonawanda News but for whatever reason, I read it today. I especially remember fishing on Cayuga Lake with Mike. I remember riding in your truck camper to and from campgrounds. I will always remember Mrs. Nancy Hadden telling me that when I run away from home the next time, that I was always welcome at your house. I don't think I ever met the rest of the family but will never forget those days at Cayuga Lake State Park, Darien Lake State park, Four Mile Creek State Park, or any of the rest of the places. My condolences to all of you. Thanks for the memories.##imported-begin##Thomas Hromowyk##imported-end##*
