“ *Death is nothing at all
I have only slipped away into the next room
I am I and you are you
Whatever we were to each other
That we are still
Call me by my old familiar name
Speak to me in the easy way you always used
Put no difference into your tone
Wear no forced air of solemnity or sorrow
Laugh as we always laughed
At the little jokes we always enjoyed together
Play, smile, think of me, pray for me
Let my name be ever the household word that it always was
Let it be spoken without effort
Without the ghost of a shadow in it
Life means all that it ever meant
It is the same as it ever was
There is absolute unbroken continuity
What is death but a negligible accident?
Why should I be out of mind
Because I am out of sight?
I am waiting for you for an interval
Somewhere very near
Just around the corner
All is well.
Nothing is past; nothing is lost
One brief moment and all will be as it was before
How we shall laugh at the trouble of parting when we meet again!*

“ *To the Hendrick Children and Families, I wish to extend my deepest sympathy for your loss. I grew up listening to Mrs. Nancy play that organ and piano in a beautiful way at First Baptist. My prayers and thoughts are with you as you go forward. As Christians, we know we will be rejoined again in heaven, but my heart hurts for your loss of your mother here on earth.*

Our thoughts will be with you,

“ *What a fantastic Lady...When she would play for me to sing, I always hoped I she would not finished before I did..Loved how she would put her hands in the air and wiggle her fingers before she began to play...Never asked her why she did that...She always was willing to play for anyone anytime....She will be sadly missed..Prayers to the family. So sorry to hear about Mrs. Hendrick. What a sweet lady and so talented. I was lucky enough to be a piano student of hers. The last time I saw her was at my mom's funeral, and she was as sweet, gracious and beautiful as ever. Thinking of you all, Keith, Susan, Wanda, and Kandi.
