“ Dear Don: I know how difficult it is to lose someone you dearly love. Give my love to your daughters. Nancy was a good friend and a good pal across the bridge table at New Holland. I enclosed a small monetary gift for whatever favorite charity Nancy favored. My love and prayers to you all. I know you'll miss her as I do Earl. We won't have the chance to meet anymore at lunch. I'll miss you, Nancy and Earl. I always seem to be the one left behind. Love,

“ Don & Family, You and your family are in our thoughts and prayers at this time of sorrow. We were not able to attend the Celebration of Life service for Nancy in New Holland, but Joanne wanted to share some memories with you. Don, We were in the 2nd grade when I was asked to take this little curly head along to the Franklin St. School and we became fast friends. We often talked about the "old days" at our class lunches. She will be missed by many. Joanne Don, I also have fond memories of Nancy when we both worked at Eby Shoe Co. She was always very friendly and had a big smile on her face that would light up the otherwise dreary office.

“ Just learned of your mother's passing. I am in Alabama for several months, but want you to know that you and your family will be in my prayers. Nancy was the sweetest person. She was always pleasant and fun to play bridge with at the Bridge Center. We missed her while she was gone for awhile and enjoyed her return. God bless you. “ *Donnie, It is with great sadness that I write this condolence to you. I have so many wonderful memories of Nancy that go all the way back to grade school and continue on through high school. And, of course, you are a part of those memories for the two of you were a 'pair' way back in high school. Just know that I am keeping you and your family in my prayers and am praying that you will receive the strength that you all need at this time. With friendship, Phyllis Gerhard McClure* *Phyllis Gerhard McClure*”
