Tribute Wall

“ My condolences to the Hanley family. Don't know if you remember me but I lived in the back of the Blekicki family. My uncle Mike Maiolica lived next door. My dad was Al and my brother also Al. I always remember the Blekicki's having a dog I believed was named Blacky. He just wandered around , never bothered anyone. I believe your family lived across Roslyn Rd somewhere but the Hanleys were always over visiting on Roosevelt Ave. especially Nancy. I am almost 50 years old now and I live here in NC. Once again my sincerest condolences to the family and bringing back some memories.##imported-begin##Bill Maiolica##imported-end##
