“ Scott,

LaDonna and I are so very sorry for your loss. While I never met your Mother I feel like I knew her through the stories you've shared with me for just shy of 20 years. A Mother's greatest legacy is her children and I have no doubt that she was so very proud of the person you became. Continue to honor this legacy in all you do and know that she continues to smile down on you.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."

“*What a sweet girl Nancy was, I'd known her practically all our lives. In fact, there is a pic of her on my refrigerator when we were on a house party at the beach years ago. Please know that I am holding all her family in my heart.*

“ *Mom, I will miss you on this earth deeply, but I also know you are still with me, and we will be reunited again some day. Thank you for your countless hugs and kisses over the years. Your love was unconditional, as was the compassion you always showed others during your time on earth. You taught me well, and your legacy will continue to flow through all your children, grand-children, and great grand-children.*

Dear Rawls Family, Nancy was very dear to me and my family for many years. Nancy and Bert befriended my parents and were a great source of support, kindness and caring to my entire family in the months and years after Dad passed away. Nancy was unfailingly kind and compassionate to me and I am a far better person for having known her. Please accept my sincerest condolences and also express my deep gratitude for having the pleasure of knowing Nancy and Bert.

*Yours,
