“ Being friends with Nancy's daughter Jan and husband Drew I have one particular memory I would like to share. Every time that I saw Nancy she would always ask how my family was. Not just my wife but my entire family who lives in England. She never once failed to ask about them. It is a quality that I know I can learn from to become a better person. I would like to pass on condolences from not only myself but wife Danielle and the Powell family in England.###imported-begin###Jimmy Powell###imported-end##

“ Nancy was such a great lady, she will truly be missed. She was always so kind to our girls when they would visit Dutch at the beach. She always had little things for the girls such as paints or coloring books, and the girls really adored "Miss Nancy" and loved spending time with her. Please accept our condolences.##imported-begin##Becky and John Gaffron##imported-end##
