“ There is so much sadness in the Lutz household for our dear friends Sally, Doug and Shane and for the whole Torbik family. Sally and Doug's parties in Arlington were always fun but they invariably took on an added degree of joy and warmth whenever Mr. and Mrs. Torbik were in town. Without fail, Mrs T always greeted us with a great big smile when we walked through the door and went out of her way to make us feel like part of the family. Like most kind souls in this world, it was clear Mrs. T was happiest when she was surrounded by friends and family and her love for her husband, her children and their spouses and her grandchildren was always easy to see. Our thoughts are with you all and we hope that time heals the pain and grief in your hearts leaving only love and fond memories in its place
