“ I loved Suzanne like my sister. We were once best friends. Over the years we drifted apart. But I'll always love her! She'll always be with us as long as she lives in our 💕 hearts! I have SO MANY memories it's hard to choose just one! I spent, almost as much time at her house, than my own! So Ms Nancy will ALWAYS be in my heart 💕 She was like my second mom. Suzanne and I used to drive around Surfside & Garden City just to ride around & talk. I'll never be able to get over this loss. A part of me died the day I found out about this tragedy. I can't imagine a world without her in it 💔 My heart is broken. And I can't imagine what Ms Nancy, Christopher & the rest of her close family must be feeling! They'll all be in my thoughts and prayers as they try to move past this heartbreak. She wasn't family by blood, but she's always been my sister! And I'll cherish all the times that we shared! Suepatty, I love you so much & I feel so ashamed that I didn't get to reconnect with you! I hope that now you know how truly sorry I am for the stupid reasons we lost touch! I'll ALWAYS love you!!!
