“ When I first moved into my house in Tucson, Brent and Grace, my next door neighbors, were right there to offer assistance and advice. They both later supported me through a turbulent time in my life. After Brent died a year ago May, Grace was so generous as she cleaned out her home in preparation for selling it. She gave so much to my granddaughters. We missed her after she moved to South Carolina. Her untimely death has been so sad.

“ It was always a pleasure to see Grace in our workplace. We worked together for 27 years and I sure admired her for always perusing more knowledge not only in her massage career, but in many things in life. I know she helped a lot of people through her healing hands. An adventurer too, remember those motorcycle days? She was kind and positive, yet wise and strong.

I love Grace. She always treated me with love, kindness and dignity. We had a long working relationship at the Canyon Ranch Spa in Tucson which turned into a close friendship. We enjoyed together exploring Astrology classes, Tarot, emotional growth and Spiritual evolution. Her Earth Spirit will be missed by many kinderSpirits. My son and I respect her integrity and wisdom. May the family find healing knowing Nancy was dearly loved by her clients, friends, and loved ones. ❤️ 🌈 🦋 ♋ ♊
