Nancy was an amazing woman who I met in 1993. She was a band Mom and gave her all at every rehearsal and performance. A good friendship developed. We maintained contact and while she was facing her battles Nancy found time to call and check up on me. She helped with my wedding reception. She stood by me when my Lou died. And called frequently to cheer me on after my accident. I've the privilege of knowing the girls and Roger. I send prayers as you navigate this journey. I send hugs too. Love Cynthia ❤️

Sorry to hear of Nancy's passing. We were Band Moms together and she trained me to take over for her when her last band member graduated. Condolences to her family and loved ones.

Nancy was one of the strongest women I have ever known. We loved her dearly. Spent many happy times with her, played games, took boat rides, we visited her church and enjoyed her music. Rest In Peace and we will see you again.
