“ *Naomi was the first person I met when I moved into our neighborhood. She welcomed me with a bigggg smile and warm hug. She never forgets a birthday or holiday and always sends something very 'special' made with love and care. She always made me 'my very own chocolate ' to be enjoyed all year. The time she took, combined with caring and love, with Kacie was phenominal. She saved any and everything Kacie ever did at school and proudly displyed her treasures for all to see. Her smile and warmth will remiain with us always. Although unable to be with the family on Monday, I was certianly there in spirit. She was blessed, as is her wonderful family. She will be sorely missed, but Naomi's light will continue to shine for all of us for ever. Hugggggs and blessings, Carlottia*
