“ Some of my best childhood memories were the times I spent at the Farmers home with Naomi and Sandee. We were always up to something. Naomi was funny and fun to be with. I do remember that Naomi loved to eat ice. I remember being woke up by the sound of her crunching on ice cubes in the middle of the night.

“ *George-I'm so sorry to hear about the death of your sister. She was always so sweet and nice to talk to. She is with Zeke now and they both watch over all of us. We will get to see them again as this is only a temporary separation.*

God Bless You during this difficult time. You are in my thoughts and prayers.

Love you,

Cousin Sharon

“ Words from an Angel

*To my dearest family, some things I'd like to say,
But first of all to let you know I arrived in heaven okay.
I'm writing this from heaven where I dwell with God above,
Where there's no tears or sadness there is just eternal love.*

*Please do not be unhappy just because I'm out of sight
Remember that I'm with you every morning, noon and night.
That day I had to leave you when my life on earth was through
As for your dearest family, they'll Be here later on.
I need you here so badly as part of my big plan.
There's so much that we have to do to help our mortal man.*

*Then God gave me a list of things He wished for me to do
And foremost on that list of mine is to watch and care for you.
And I will be beside you everyday, week and year.
And when you go to bed at night the day's chores put to flight.
God and I are closest to you in the middle of the night*

*When you think of my life on earth and all those loving years,
God picked me up and hugged me and He said, I welcome you.
It's good to have you back again, you were missed while you were
gone.*

*Because you're only human they are bound to bring you tears.
But do not be afraid to cry it does relieve the pain.
Remember there would be no flowers unless there was some rain.*

*I wish that I could tell you all that God has planned,
But if I were to tell you, you wouldn't understand
There is one thing that is certain though my life on earth is o'er;
I am closer to you now than I ever was before.*

*And to my very many friends, trust God knows what is best.
I'm still not far away from you, I'm just beyond the crest.
There are rocky roads ahead of you and many hills to climb,*

But together we can do it, taking one day at a time.

When you are walking down the street and you've got me on your mind,

I'm walking in your footsteps only half a step behind.

And when you feel the gentle breeze or the wind upon your face.

That's me giving you a great big hug or just a soft embrace.

And when it's time for you to go from that body to be free,

Remember you're not going, you are coming here to me.

And I will always love you from that land way up above.

Will be in touch again soon P.S. God sends His love.
