“ I'm so sorry to hear about Nate passing away. He was a great friend to me for many years and even though we lost touch I think he still is. To Mary and Stan, thank you for raising such a great son and bringing him to Surfside. Nate made high school fun for me and many of his other friends. To Nate's wife and daughter, Nate has always been a great guy. He was always making people laugh and in that showed his huge heart. I'm sure you saw that. I'd like to meet you sometime and share a few memories. I will miss you Nate and will always regret not doing a better job of keeping in touch with you. I know you are in a better place now and I look forward to seeing you there one day. I will never let your memory fade.

“ Grant consolation and peace to this grieving family, dear God, that the memory of this husband and father that has been taken away may be a blessing to them all their lives long. Watch over his daughter, Addison as she grows, and give to his wife, Allison the strength and support of your Holy Spirit, and a good life together with her daughter. For Jesus' sake.
You are in our hearts and prayers! We love you!

“ My heart goes out to Allison, Addison, Stan, Meri, and Steve. I am saddened by the news of the passing of an old friend. I would occasionally talk with Nate through Allison's facebook page. Some of the funniest memories I have from my childhood include a young Nate Resseguie. The times playing football in Steve's backyard in Hillsdale with Nate always telling someone "what he thought", and the spring breaks at the Resseguies in Surfside. One spring break was especially memorable when my friend let Nate drive to the clubhouse when he was like 12 and drove the car through a brick wall. Mrs. Resseguie was NOT happy with any of us that day.(I thought she was going to ship us back to Hillsdale!!) You are all in my thoughts and prayers at this difficult time.

“ I will always remember the good times Nate and I had in High School. I only wish him and I remained in contact over the years. Nate you were always a great friend....I will always miss all the nights of throwing back the ice cold Natty Lights. I remember my going away party, him hugging me and telling me to keep in touch and then pouring a Cold Natural Light over the top of my head because well.....that's just the kind of crap he and I did back in the day...He had joined the Army too, but was chaptered out for medical reasons. We hoped to be stationed together some day and even fight in a war side by side. May God Bless you brother.... You will never be forgotten Nate. I love you. My condolences to your wife Alison, daughter Addison and family. Your loss is by far heavens gain.
