“ My memories of Aunt Neitha are of a sweet, gentle lady. Due to the fact that we have lived on opposite side of the U.S. I didn't get to spend much time with her. I remember her at family reunions at Grandma & Grandpa Gregoroff's home as a child. Then as an adult, I chatted by phone with her after she moved to Myrtle Beach. I know that she loved the Lord and I know that we will see her again. My love and prayers go out to her daughters and my cousins as well as to extended family.

“ Mrs. G. was a kind, generous woman who befriended me when I first became a Christian. I spent many hours in her home where she showed me much love and support. She was an extraordinary cook and made such healthy, delicious meals. I will always remember her sweet laughter, gentle and humble ways. She and Pastor G. took me under their wing and nurtured me in the faith. I owe a lot to this beautiful lady!!

“ *Neitha was one of the sweetest persons I have had the privilege to know. I first met Neitha and her husband, Pastor Paul Gregoroff, in 1965 as a Sophomore student at Mount Vernon Academy, in Central Ohio, where Paul served as my Bible teacher. I will always have fond memories of Paul and Neitha Gregoroff, and cherish the privilege of knowing them.*

“ *Mrs. Gregoroff was a person who always showed love and kindness. She came to visit us many times and her house was always open. I would talk to her through the years by phone and she always offered words of encouragement. I hold good memories of the years she was around us and will cherish those. Someday we will reunite for an eternity. God bless the people who cared for her in her later years.*

“ Neitha was a sweet little package of kindness and love from the day I met her in Church in Myrtle Beach about 10 years ago. The longer I knew her the more I saw her as gracious, precious, and full of wisdom, but still fun to spend time with. When I heard she had passed, my first thought was that the world will always be a little less shiny without her light. My condolences go to her sweet family.

“ Aunt Neitha was very sweet and loving to me. I was at boarding school in Nevada Iowa, and we would get together everyday after school just the two of us and lay on the floor put our feet under the couch and do sit ups. Then we'd have a couple cookies for balance! I hadn't spoken to her for several years but she has always been a sweet memory for me! RIP Aunt Neitha.

“ I'll always remember Aunt Neitha as being a very sweet and loving person to me and everyone else. A favorite memory is when our family visited Uncle Paul, Aunt Neitha, Carolyn & Cheryl in Ohio when I was about 9 yrs old. It was quite the adventure getting to sleep out in the backyard in a tent...never forgot it! I'd like to send my condolences to Carolyn, Cheryl and all their family members.
