“ I remember Aunt Nell with great fondness. She was always happy, kind, and I enjoyed her wonderful sense of humor. I recall many good times spent with her and with Steve when I was a child. May she rest in peace and be remembered with joy. Much love, Terri Blount Griffeth

“ Dear Garry, Barry and Steve, what great memories I have of our grammar school days at Waccamaw Elementary School! Your mom was such a precious lady, always dressed so well no matter the circumstances. She was always so sweet to everyone in our classes as she served as our Room Mother so many times. Especially when so many other mothers were having to work, she would always step in to make sure we had treats for holidays and special occasions. Although, we've not kept in touch over the years, I will never forget her soft voice, her sweet smile and loving ways. Such an angel who is truly smiling down at her family as she rests in peace. May you all find peace in such a loss. God bless you.

“ To all of Nell's beloved family, sending much love to you from Mama and me. She so loved her family and spoke of each of her sons and grandchildren, each time I saw her, with all the news that was going on with you. She was so proud of you all. I wish I could be there for her visitation and service. You will all be in my thoughts and prayers.
