“ Let our hearts be reminded that nothing can take away the beauty of the love , And the Love Mom had for her Children & Grandchildren remains a part of us for ever Only time moves on . Memory remains part of the heart forever. and Mom will be in our hearts always "From my Heart To Your heart" A brief moment of darkness was all that she knew, before Heaven's Gate came into her view. Loved ones and friends she missed for many years, welcomed her with open arms and many happy tears. All the hurt, fear and pain that she have ever known, is gone from her life, she is finally home. She gazed upon the Lord's sweet smiling face, and for the first time her life she knew and felt His grace. She knows that we will miss her, and says please dry your eyes. I will always be watching and loving you from my home in the sky. A cool breeze on your face, a touch of light rain, I will send as a reminder that we will be reunited again. Life on earth is but one brief moment in time, I am finally home, Eternity is mine. We will always have mom in our Hearts,And she will always be with us Until we meet again,May God hold you in the palm of his hand. Our love will be with you always Lois & Cliff##imported-begin##Cliff & Lois Lewis##imported-end##
