“ She was my boss on the Myrtle Beach AFB and one of my favorite people ever. She was an excellent leader and taught me so much about the type of leader I wanted to be. I’m so sorry I lost touch with her. I thought of her so many times since the AFB closed. I regret not having her contact information. I’m a better person just from having known this wonderful woman. Rest easy my dear friend. We’ll reunite one of the days. 💔

My mother worked with her there too. She still thinks of her often. I'm just finding this and its very sad.
