“ *My sympathy and love to the Holliday Family, relatives and friends. Recently we too lost a son. Friends and relatives are so important at this time. Stay close and in touch. I am a classmate of Carmen Matheson. We didn't know him or you folks but we still can and do identify.*

“ *To the Holliday family-My family and I would like to say that you are in our prayers and thoughts as you go through this time of loss. We did not know your son personally but he was a good friend of our son Levi Altman who had classes with him. We hope that you may take comfort in knowing how well your son was liked and how much good we heard about him. We hope even more comfort comes from knowing that he is at our Fathers side now and walking on golden paths in Heaven. He will forever be missed!!!!!!*

“ I'm sorry for your loss, my heart goes out to you & your family. May you find comfort & hope from God's Word the bible & a scripture i'd like to share is found at John 5:28 which says: Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out."This promise is sure to come true in the near future. Found also at Revelation 21:4 where it says: And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
