“ So Sorry and shocked of the loss of a dear old friend and brother of the SOI. I was proud and enjoyed our time together as we put a new look to our lodge many years ago. I enjoyed working with Nick, as we put a face on our new entry to the lodge, helping him as I mixed the cement and handed him the stone on the scaffold so he could put it together as you see it today. He surely was a pro and a humble, proud man that was admired by all that knew him. Rest in peace old friend, it wont be long and we might be able to get a round in together.
All our prayers and blessings are with you.
