“ ....I grew up in the Pauley Swamp community and remember Ms. Nina so well. Her brother SD and my Daddy (Big Boy Lewis) were brick masons and enjoyed playing music together and being best friends their entire lives. My parents would visit Mr. Doc and Mrs. Adria and I so loved their log house - also their cuckoo clock always fascinated me. I understand that my Aunt Edna Earl (Lewis) Paul was her best friend. What a blessing it is that families share such close friendships that span generations. So many memories to cherish. Ms. Nina was always a sweet, gentle lady.

“ *...I am saddened to learn of Ms. Nina's passing. My Daddy, Big Boy Lewis, had spoken of her often and about all the good times they shared growing up in Pauley Swamp. She was always very sweet and polite - so characteristic of the residents of our close-knit community. Her parents and siblings have welcomed her home.*

“ Nina was my nearest of kin on the Beverly side of our family. Always loved her. She was so sweet, humble & kind. Tho we didn't visit that much, I always knew she was there for me if I needed her. Not having any family of my own, Uncle Dock's family always treated me as if I were one of them, always included me in whatever was going on in their family, and kept me informed if anything happened to any of them. I appreciated you all very much. I'll always miss Nina but know I will see her again soon. Love you all. Dolores
