Nina is the most kind and wonderful lady that I have ever known. I am very blessed to be her daughter in law and to have her in my life for 10 years. She will never know how she touched my life. Though her passing has left a huge hole in my heart, I have tons of great memories with her to hold on to. My life will never be by the same but I thank the Lord that she is no longer dealing with health issues but resting in the arms of the Lord I will miss and love her until we are together again.
