“ I am so sorry to learn of Mrs. Nina's passing! I have fond memories of her when Angie and I were growing up. I remember Angie and I had a science project and we were doing the food chain and had to make animals out of dough, etc. Mrs. Nina, with her artistic ability, helped us create a wonderful science project. I always enjoyed seeing her and Mr. Ward. I pray the Lord will bring peace and comfort to each of you now and in the days to come. Please know you are in my prayers. God bless each of you!

Charles,
I still remember the time Mrs. Nina took us to the Dairy Cream in that Oldsmobile 98 and the gas light coming on. She was a special lady that I know can't be replaced or replicated. But then she will never have to be, because God is not the God of the dead but of the living. She isn't gone, she is just perfected.
