“To Dorman and Hardee families, Ninaree was a special lady to me, along with wonderful parents she had. Her granddad Goodyear was the most wonderful person I knew in my childhood. Know that she has received the best gift ever, she has already seen the face of Jesus. We will see her again. With love and respect to each family member I will continue to pray for you.

“Years ago, Ninaree and I were in business together. I always found her to be very kind and sweet. She was a very dear friend. Though I didn't see her often, I knew she would always come to my rescue if I called. She will be sorely missed.

“ *Ninaree was a very integral part of my life as a newly wed, a young mother & to the present. I was blessed that she shared her time, talents of alterations & cooking recipes with me. She was a lady of so many gifts. I will truly miss her but will always have the memories to hold onto. She became family. Love & prayers to all who knew this lovely lady.*

“ Everyone thought a lot of Aunt Ninaree. She was a blessing to her family and to the larger Dorman family over the years. Kim and Kaye, we'll be praying for you and your family. Losing a mom like Aunt Ninaree is so hurtful. Take heart in knowing that you did all that could be done and it was her time to go home. May the good Lord hold you now with the love of family and friends as only He can do. We love you all. Buddy.
