“ Our deepest sympathies to Bob and family. We are so sad that Norma is no longer with us. Her love of life in SC encouraged us to visit, even staying in first condo. We too feel in love with the area. Whenever we made the trip we looked forward to an evening or day with Bob and Norma. I especially, would enjoy a shopping trip as she always planned one with my interests in mind such as the old Counting House or Tuesday Morning – shopping was fun and I loved when Norma would point out an item and say “isn't that something.” She and I would meet the guys for lunch or dinner usually at Bodos. She made the visit as special as she was. We will miss these visits but we are so very happy that Norma no longer has pain and is at peace and joy in a much better place.
