“ Although I will sadly not be able to attend the services, you can be sure I will be there in thought and spirit. I am truly amazed at how totally loving and devoted your parents were to each other and to all of you. If all families were more like you the world would be a better place. I pray that your faith and love for each other will give you the strength to endure the enormous grief and loss. I feel so blessed to have had the chance to get to know you better and find how very special you are. My love and heartfelt sympathy go out to each of you.
