“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Dear Strickland family; we are sorry for your loss. We will never be prepared for the passing of our loved ones, because we were not created to die. Soon God will return the earth back to a paradise and your loved one will be able to live on earth eternally. Rev 21:3,4

“ Always remember when I was a very small child we came with my dad to visit relatives here in the inlet. We went to uncle John and aunt Jean's house. We were playing in this one room and there was a huge spider up in the corner near the ceiling.. I was so afraid, but aunt Jean insisted it was her pet!! Lol She was so silly. Also one time I was bringing my children to NYC and we stopped in to visit them at their house in Brookgreen and she gave my kids presents and candy and we had a great time visiting. Had not seen her in probably 15 years, but she loved me and my kids and made us feel special. Xoxo My girls always refer to her as the lady with all the dolls? I will love and miss her always. Xoxo rest in peace Aunt Jean..

I met Jean when she and I were dating the Strickland brothers John and Charlie back in 1965.....she was driving a school bus and one day ran in to tell Honey Strickland that Murrells Inlet was growing again, she said so earnestly "we now have a Yield sign".....one red light, four stop signs and now this!!!!
