“ With Heartfelt Sympathy to the family, May you find comfort in God's word and in the knowledge that others sympathize with you in your loss. Since this may be one of the hardest things we will ever have to cope with, the bible offers hope. Pointing to a glorious time, Isaiah 25:8 says, "God will actually swallow up death forever and the Sovereign Lord Jehovah will certainly wipe the tears from all faces..." Please read John 5:28,29. It has bought comfort to many bereaved persons and myself. I pray it does the same for you.##imported-begin##Chantelle##imported-end##

“ Dear Uhler family, I am so sorry to hear about the passing of Norma. When we lose a loved one, all we have left is our fond memories of them. So please cherish those memories of your dear loved one. When we experience losing a loved one in death, we may wonder such questions as: Why do we die? How can we be sure we will see them again? The Bible makes it clear that God did not originally intend for humans to die. God told our first parents Adam and Eve they would die only if they disobeyed him. After sin and death entered the world, God's purpose for mankind did not change. It is still his purpose for humans to take care of the earth, free from sickness and death. The scriptures also show that at John 5:28-29, that those in God's memory will be resurrected. Just think of what that means: One day soon we will have the prospect of being reunited with our dead loved ones again. Isn't that a comforting thought to know? While Jesus was here on the earth, he showed he has the power to raise the dead back to life. On one occasion, he resurrected his good friend Lazarus (John 11:30-44). On another occasion he resurrected a 12 year old girl (Mark 5:35-42). Even though these resurrections took place some 1,900 years ago, Jesus was showing on a small scale what will take place in the very near future under the Kingdom of God (Matthew 6:9). I hope that these scriptures bring you and your family comfort and hope. I want to express my deepest sympathy to the family and friends. Sincerely, Sandra##imported-begin##sandra##imported-end##
