“ My sincerest sympathy to Mike's family. I will always remember the handsome young man who walked the halls of OHHS and the gracious person that he was. When I saw Mike several months ago, you would never know of life's challenges that he faced. He had such a wonderful smile and was so courageous.... “ Mrs. Anderson and Bobby, I was aware that Mike had been ill but thought he had beaten the cause, so it is with great surprise and sadness that I learned from Dennis of his passing today. Unfortunately, I lost day to day contact with Mike some time ago. However that leaves me with the memory of a robust young man with a quick smile, competitive spirit and a deep and abiding love for his family. All of us benefited by knowing Mike, his extended family, you, Mr. Anderson and Bobby. The loss of his spirit from us affects us all. Please accept my and my family's deepest sympathy on Mike's passing and know that we have you in our prayers. Regards, Claude Bogley##imported-begin##Claude Bogley##imported-end##

“ You reminded us all how to live our lives. How to appreciate each other and and cherish each day. Through your illness many wonderful things have occurred - many friendships have been renewed or created. I will so miss receiving phone calls from you and chatting about things I never dreamed 44 yrs after graduation we would be talking about. Our wonderful GGG and Geezer trips are something I will always cherish. Meeting your family and now understanding where you get your zest for life. My sincerest sympathy to your family - we all will miss your beautiful smile. Be at peace my friend.###imported-begin##Donna Fife###imported-end##
