Ola was a beautiful lady inside and out. She loved her family and friends. I was blessed to be just one of her friends. Ola and I shared our love for Jesus, family, Wendy, our hairdresser, Ace, my lab and Mike Alexander. You were a blessing to me.

“ Aunt Ola was one of sweetest women and most loving Brown family members. She will be missed. My dad her brother was very much loved and remembered by her as she told me many occasions. I know he felt the same about her and as I did also. I only wish we did not live so far apart in miles so we could have spent more time with her. Praying for Blanche.

“ In 1995, Ted and I purchased a summer home on Seagull Court. It was at that time we met two wonderful people, Mac and Ola McBee, that would quickly become second family to us. Ola was always a welcoming person with her sweet smile and her beautiful eyes. Ola also became second family to our family, especially Dennis. She called he and Jamie her boys.
Blanche, you have been so caring to your mother and her desires during her declining years. And Miss Debbie, you're the best. Our love for you continues as we say goodbye to Ola for now knowing we will see her again. Prayers
