“ I have fond memories of Oleda and Marie on numerous bus trips and through continued correspondence at Christmas and sometimes at the beach. Of course, I did not work directly with Oleda at DuPont but saw her often. Also bowled with Oleda. She will be missed and I am thankful I have the memories. I pray God will fill the vacancy the family and friends feel today with his great love and peace. You have my deepest sympathy! Sincerely, Norine Buffkin

“ *Frank and I are extending our deepest sympathy for our dear friend, neighbor and cat lover, Oleda. We know she fought the good fight and now she is resting in the arms of her master. Many good times were shared in Lakewood Campground and at our wedding. She always had a welcoming smile and an extended hand when you were with her. May GOD bless her family and dear and loyal friend Marie. We will always love you and as GOD promised we will see you later.*
