“ *Hedy & Paul*

It was such a joy for Mike & I to get to know Olga since you became our neighbors two years ago. So glad that my mom and yours became friendly since she moved in with us. Sadly, we didnt have more time, but, God needed another angel, and he got a good one!

“ *My dear aunt Olga has passed away. I will always remember you. My dearest memory is that you ‘ran’ towards me and forgot to use the stroller when I surprised you with my family in 2018 at your grand daughters house. A great moment I’ll never forget. Everybody was appalled to see you run. Rest in peace tante.*

“God saw you getting tired when a cure was not to be so he put his arms around you and whispered ‘Come to me’

A golden heart stopped beating, hardworking hands at rest

God broke our hearts to prove to us

He only takes the best”

My dear aunt Olga. Now it's your turn to go home, to your savior Jesus. No more sickness, pain and hurt. Only gladnes and joy in present of your family, all together.

We will miss you but we know you' ll be at a better place. Where will you be better than with Jesus.

My mother is also there. I remember your phonecalls with my mother, your youngest sister. You both were always talking about God and now you both are sitting there in streets of gold in the present of God.

We will never forget you and we can only say now: till we meet again aunt Olga.

Mijn lieve tante Olga, ik kan me nog herinneren dat u in Nederland het laatste kerstfeest bij ons vierde .

In 1977 zag ik u weer terug en ontmoette ik oom Larry.

Daarna hebben we elkaar nog enkele keren gezien in Amerika. Het mooiste geschenk was dat u bij de familieunie aanwezig was samen met oom Larry.

Belia en ik koesteren warme gevoelens voor u.

Wij hopen dat u herenigd bent met uw geliefde man, broers en zusters.

Rust in vrede

Liefs John en Belia

My dear aunt Olly, I was in the car when I heard about your sudden passing. It was so sad hearing that you're no longer among us and it took me back to your respond at the time my mother, your baby sister Lottie as you called her passed away. I was very sad at that time but also glad that I could be there for you when you needed it. You were very sad but so gratefull that you could see Lottie when she saw her for the last time on the funeral. You said and wrote to me that you would never forget this. I read all the apps we wrote to eachother and it will always be a loving memory to me. And now you may join Jesus and all your loved ones in heaven the place you wanted to be. You will be missed but there is no better place in heaven with Jesus no more pain and sadness but forever happiness and love. I'll end my last message to you as you always did in your apps to me.... love you 🥹 RIP 🌹

Dearest Olga,

You were not my sister-in-law, but it feels as my sister. What fun vacations we celebrate with you. I often think of the vacation with Laura and Maudy, when we surprised you.

The disbelief in your eyes when you saw who was standing in front of your house, I will never forget that.

Also the time you must be operated and we promised you that when you came out of anesthesia we would be at your bedside, And we were at your bedside, as we promised. You could hardly believe it!

The last time we visit you was in 2015 with Rick en Jef because Joost wanted to say good bye by force.

You were very, very dear to him and of course also to me.

Dear, dear Olga, I love you, rest in peace!
