“ Dear Don & family, It's been years since we've seen you and Olga, and we were saddened to hear of her passing. We think of you often each time we look at the beautiful "Fez" you did in needlepoint and presented to Steve. Olga was one of a kind--always full of energy and ginger. Her passing will surely cause a void in your life, but we're sure you have some great memories. Our hearts and prayers are with you at this time.###imported-begin###Steve and Marcia James###imported-end##
