“ We all loved our Aunt Olivia very much. She was so very blessed to have such a loving and caring family that took care of her right up to the last day. I have many good memories of being on the farm when I was a teenager, Olivia and uncle Billy took good care of me and I really enjoyed being with them. The Staples farm was my favorite place to be, even though we worked hard cropping tobacco, we had fun too. We will miss Olivia but we rejoice in knowing we will see her again in heaven. She is dancing with the lord now and saying "hey watch me" Lots of love and thoughts to the entire family. Love you all very much. Michael Barnhill##imported-begin##Michael Barnhill##imported-end##
