“ *Our heartfelt thoughts are with the Capps family at this sad time. Brad was a good man and was loved by so many. My brother, Lindsay, wishes to send his thoughts, prayers and love to the family, too. He has many fond memories of Brad and Timmy too, from "back in the day." Rest in Peace, Brad!*

“ *My deepest condolences to the family of Brad Capps. He made my transition from Michigan to Myrtle Beach (1985-1988) smooth and enjoyable. Always full of life and smiles. While in MB, I lost my so-called Northern accent to a Southern one because of Brad. We worked together with Glen and were proud of our achievements. I can truly say as the years have past and we have grown apart by distance (Virginia), Brad has always been on my mind. I have been following his recent posts...and believe he knew the lord was calling. Rest in peace Brad - Robbie know your father was and will always be considered my friend. Paul Gantos*

“ Glen and I want to send our love to Janet , Robbie the family. Glen had a special connection with Brad as did all the three boys . Glen hasn't been well but today I had to tell him about Brad. His eyes got big and he told me he understood what I was telling him He got upset I told him he and Brad will be together soon. They will be going on a journey to see the Lord.
