Tribute Wall

“ *This is when I hate being so far from family. Not being able to be here with the family I love. Truly wanted to make the drive to SC to say goodbye to someone I loved dearly. Know that I am there in spirit and heart! My memories of my Uncle will be with me all of my days on earth. He was a lucky man to have had so many who loved him. I was lucky to have been loved by him! To my cousins, know I love you as well and will always be here if you ever need me. We are a solid family despite miles between us. Years and lives may pass but love never dies! We learned that from our parents and the entire Perriolat generations. Your loving Niece and cousin.*
