“ Bennie, When I saw your mother's name in The State on Sunday, I remembered all the funny stories you would tell in college about "Opal." We have a dear church friend from Conway, Virgil Autry, who said he knew your mother well. Isn't it a small world? I have such fond memories of my Conway college friends. My sympathies to you and your family. I know your mother will be greatly missed. I pray for peace and comfort for you and hope wonderful memories will surround you all. Sincerely, Michelle Faulkenberry Page###imported-begin###Michelle Faulkenberry Page###imported-end##

“ When I joined the choir, Opal was a member and she always pointed to the chair next to her and said "Betty please sit here by me". It tickled me because I told her that I didn't read music. Opal was a beautiful lady-inside and out. She will be missed. I know she is happier now than she has been for some time.##imported-begin##Betty Ackley##imported-end##
