“ *Opal Sellers is finally home. My heart goes out to her family that God will surround them with His love and comfort.*
I believe God sent His band of angels to gently carry Opal home. She was a strong lady with a gentle touch.
Her sons loved their Mother and were very attentive to every need. I was privileged to have known her in my younger days.
God bless each one of her family and take comfort in knowing she is finally at peace.
Sincerely ,Janalea Renau
