“ I work at Conway Manor in AP and would pass by her room several times a day and at least once or twice when I would speak to her she always wanted me to come in her room to show me her pictures, and tell me who they were, she always would say her grandson would be there soon and came every day(which she looked forward to) several times to see her. She loved her family dearly and I know she was loved by all and will be missed not only by family but Conway Manor too.

“ So sorry to hear of your loss. Ms. Opal was such a sweet and loving person. I can surely say that she was like a mother to me and so many others, She loved her family with all her heart and soul. I know she is dancing in heaven with Mr Dillard and Smitty.
